Risks.

31 days notice to withdraw funds

If you open a new term deposit or reinvest funds after 3/10/2016, you'll only be able to withdraw your money prior to maturity by giving us 31 days notice. If a request is received less than 31 days prior to the maturity date of the term deposit ME will transfer funds on the maturity date. If in the future you may need to withdraw or transfer funds immediately other deposit products may be more suitable.

You can apply for an exemption to this requirement if you're suffering financial hardship, but whether the exemption applies to your situation will be at ME's discretion.

Interest rate reduction for early withdrawal

Withdrawing funds before the maturity date will cause your interest rate to be reduced based on how much of the term has already elapsed.

Fluctuating interest rates

We work out our interest rates based on prevailing market conditions, so the rate will change depending on when you make your investment.

Interest rates aren't set until we get your documents

Interest rates quoted by ME are indicative only. The actual interest rate on your term deposit will be set on the day ME receives the required documents and the full investment amount.

Reinvesting at maturity

If you choose to reinvest at maturity, we'll set a new interest rate based on the market conditions of the day and this could be higher or lower than the original rate.

Referral fees

If you're a wholesale investor and you've been referred to ME by an intermediary, or a retail investor who did not receive financial product advice from the intermediary that referred you to ME, we may pay them a fee of up to 0.25% of the total investment amount.

A copy of that Code is available on our website, or you can call us and we will send you a hard copy for free. Information about the current fees, charges and interest rate(s) that apply to your account, at any time, is available from us on request.

3. Account availability

3.1 To open an account the applicant must:

- provide us with a completed investor registration form;
- provide us with any other documents we require in support of the application for the TD, including any information we request to satisfy identification and authorisation requirements; and
- provide us with the minimum investment amount as set by ME from time to time.

3.2 The account is a business account and must be established primarily for business or investment purposes.

4. Joint accounts

Account operations

4.1 A joint account can be opened together with one other joint investor.

4.2 We will deliver statements or other notices in connection with the account in accordance with clause 15. We may direct any such statement or other notice to any one investor or jointly to both investors.

Liability is individual and joint

4.3 If the account is a joint account:

- a. we may act on the instructions of any one joint investor (unless either joint investor asks us to change the authority so that both have to give future instructions); and
- b. the joint investors are liable jointly and individually for the account and for any amount owing to us in relation to the account.

4.4 Subject to clause 4.5, if one joint investor holds another account with us which is in debit, we may transfer money from the account to repay the debit balance. We do not need to notify you before we do this, but we will promptly inform you when we have done so.

4.5 If the other account relates to any amount owing under a loan that is regulated by the National Credit Code, we may not combine your account with the other account:

- while we are actively considering the account holder's financial situation under either paragraph 167 of the Banking Code of Practice or under the hardship provisions of the National Credit Code; or

- if doing so breaches the Code of Operation: Recovery of Debts from Department of Human Services Income Support Payments or Department of Veterans' Affairs Payments.

Death of a joint investor

4.6 If one joint investor dies we will treat the balance of the account as owned by the surviving investor and they may continue to operate on the account.

5. Setting of Interest Rates

5.1 Interest rates for TDs are determined by ME in our discretion having regard to prevailing market interest rates. The market interest rates are adjusted by a margin that reflects a number of factors including the following:

- a. current market conditions;
- b. the size and term of the investment;
- c. the investor's overall relationship with ME; and
- d. our costs of providing TDs.

The market interest rates and the margin will vary from time to time due to changed market conditions and the timing of the investment.

5.2 Details of current interest rates will be provided to you when you apply to open a TD and are available on request by contacting the treasury services team.

5.3 Please note that any interest rate quoted by us under clause 5.2 is indicative only. The actual interest rate that applies to the account will be set on the day we receive the documentation required as set out in clause 3. The interest rate is included in the confirmation letter that is sent to the investor once we open the account.

6. Fees and charges and other payments

6.1 There are no bank fees or charges applicable to TDs.

6.2 TDs may be subject to Government taxes and duties. The investor is responsible for paying any applicable Government taxes and duties.

6.3 Where the investor has been referred to us by an intermediary, the investor:

- a. authorises us to disclose to the intermediary information about the application for the TD;
- b. acknowledges that the intermediary is not our agent and is not authorised to make any representations on our behalf regarding TDs or

impose any obligations on us;

c. acknowledges that the intermediary has acted as the investor's agent to arrange for the application by the investor for the TD

d. in the case of a wholesale investor or a retail investor who did not receive financial product advice from the intermediary, acknowledges that we may pay the intermediary an up front fee of up to 0.25% of the investment amount. Please contact the intermediary if you require further details about any such payments.

7. Authority to operate the account

7.1 The investor may appoint authorised representatives to operate the account. An authorised representative can do anything the investor can do in relation to the account except for:

- a. appointing, or revoking the authority of, other authorised representatives; and
- b. changing the details of the nominated account.

7.2 The investor is responsible for ensuring that each authorised representative complies with all the responsibilities and obligations imposed on authorised representatives under these terms.

7.3 We will act on any instruction given by an authorised representative in relation to the account. We will not be liable for any loss or damage the investor or anyone else suffers where we act on any instruction given by an authorised representative.

7.4 The authority of an authorised representative to operate the account in accordance with this agreement continues until we receive written notice in accordance with clause 15.3 from the investor that any appointment has been revoked.

8. Operating the account

How to operate the account

8.1 You can only operate an account by:

- a. phoning the treasury services team between 9am–5pm Monday to Friday; or
- b. sending an email to the treasury services team.

We will provide the investor with the contact details of the treasury services team when the account is opened.

8.2 You acknowledge and agree that we may (in our absolute discretion):

- a. delay acting upon an instruction or ask you or another person for additional information before acting on any instruction; and
- b. decline to any act on any of your instructions if we consider we have a good reason to do so.

Transaction Restrictions

8.3 Any deposits to and withdrawals from an account can only be made in Australian dollars and cannot be made in cash.

8.4 Cheque deposits and cheque withdrawals are not permitted.

8.5 You cannot deposit into the account from a foreign financial institution.

The Nominated Account

- 8.6 For the TD, the investor must nominate an account in writing:
- from which investment amounts may be directly transferred by you to us for deposit into your TD;
 - into which we will credit interim interest if instructed by you to do so; and
 - into which we will repay the TD and any interest if instructed by you to do so on the maturity date.
- 8.7 The nominated account must be in the name of the account holder or, where the account is held jointly, in the name of the joint account holders.
- 8.8 You may only have one nominated account linked to the account at any one time.
- 8.9
- The investor may change the nominated account at any time by completing a Change of Details Form that can be obtained by calling us or writing to us. The change will not take effect until we have received your properly completed Change of Details Form and the change is processed. This usually takes two business days from when the form is received by us.
 - Where the investor has been referred to us by an intermediary, the intermediary may change the nominated account by providing us written instructions. The change will not take effect until processed. This usually takes two business days from when the instructions are received by us.

9. No credit

- 9.1 You must not withdraw or transfer an amount that exceeds the account balance from the account. This is "overdrawing" the account. If this does happen:
- the investor must immediately pay us the amount by which the account is overdrawn and ensure that the account is brought back into credit; and
 - we may transfer an amount equal to the overdrawn amount from another account which the investor holds with us (even if that other account is not a ME Treasury term deposit), into the overdrawn account. We are not liable for any loss incurred as a result of this.

10. Security codes

- 10.1 The investor must arrange for each authorised representative to provide us with their details so we can establish their security codes.
- 10.2 The investor authorises us to carry out (without further inquiry) any instructions provided to us when a valid security code is provided to us.

Your obligation to keep your codes secret

- 10.3 Your security codes are unique to you. The investor agrees to ensure that all codes are kept confidential and to obtain the agreement of each authorised representative to keep their codes confidential and to not tell, show or disclose them to anyone.

If your codes are compromised

- 10.4 If you know or suspect that:
- any of your codes have become known to someone else;
 - any of your codes are lost or stolen; or
 - the account has been used in a way not authorised by you,
- you must notify us immediately by contacting the treasury services team.
- 10.5 Once we are notified that the confidentiality of your security code(s) has been compromised we will cancel the compromised code(s) and establish a replacement security code(s).

11. No liability and indemnity

No liability

- 11.1 Except as provided in any law which cannot lawfully be excluded or modified by agreement, you acknowledge and agree that we are not liable for any direct, indirect or consequential loss, damage, liability, costs or expenses suffered or incurred by you in relation to:
- your inability to give us instructions or send us a communication for any reason, whether or not within our control, including as a result of a technical failure;
 - our carrying out, failing to carry out, or delay in carrying out (whether as a result of a technical failure or otherwise), instructions we receive (whether from you or any other person) which are accompanied by your valid security code or other authorisation;
 - our acting on any falsity, inaccuracy, insufficiency or forgery of, or in, any communication which purports to be a communication signed or authorised by you;
 - any fraudulent act or conduct in connection with the account (other than fraudulent acts or conduct on the part of employees or agents of ME); or
 - any other act, omission, matter or thing whatsoever, whether negligent or not.
- 11.2 The investor is not liable for transactions on the account that are initiated using any security codes relating to the account after the time we send you an acknowledgment in accordance with clause 10.4.

Indemnity

- 11.3 Except to the extent such an indemnity is not permitted by law, the investor agrees to indemnify us on demand against all claims, actions, losses or liabilities we suffer or incur as a result of:
- our carrying out, failing to carry out, or delay in carrying out (whether as a result of a technical failure or otherwise) instructions we receive (whether from you or any other person) which are accompanied by your valid security code, or other authorisation;
 - you failing to comply with these terms; and
 - you failing to comply with any law or regulation that applies to the account.

12. Telephone conversations

- 12.1 You agree and acknowledge that we can intercept or record any telephone conversation. Taped conversations will be retained for a limited period as a record of the transaction. You can request that you do not wish to be recorded, however we may not enter into the transaction over the telephone unless the conversation is recorded.

We may notify you of any other change on or before the day on which the change takes effect. - This means that you will not be able to make any withdrawals from the account or deposits to the account. We will continue to pay interest on the credit balance in the account.

- a. we are permitted to do so by law;
 - b. the circumstances set out in clause 16.1 no longer apply.

 - d. we believe that further use of the account may cause you or us loss.
- 17.3 Under other circumstances we will give you reasonable notice if we intend to close the account.

- 18.2 If, after seven years from the date we closed the account under clause 18.1 the investor has not claimed their money, then:
- we will pay the funds to the relevant government agency as unclaimed moneys if the funds are equal to or more than any minimum amount prescribed by law; or
 - the funds will become our property if the funds are less than any minimum amount prescribed by law.

- 20.2 To open a TD the investor must deposit clear funds with ME for the agreed TD term. You may extend the TD for further terms under clause 22.1.
- 20.3 Once the account is opened by us, you may only make a further deposit at maturity under clause 22.1.

21. Interest

Interest rates

- 21.1 The interest rate is fixed for the TD term selected until the maturity date.

Calculating and crediting interest

- 21.2 Interest starts on the day the account is opened under clause 20.2 and is calculated daily by applying the Interest Rate to the closing balance of the account on that day as follows:

$$\frac{\text{Daily closing balance} \times \text{Interest Rate}}{\text{(as a percentage per annum)}}$$

365

- 21.3 Interest will be credited or paid as follows:
- a. for a TD with a term that is less than 12 months,
 - i. the investor may choose to have interim interest paid monthly by being credited to the nominated account; and
 - ii. interest is paid on the maturity date.
 - b. for a TD with a term of 12 months or more:
 - i. the investor may choose to have interim interest paid quarterly or annually by being credited to the nominated account; and
 - ii. interest is paid on the maturity date.
- 21.4 No interest is credited for the last day of the term of the account.
- 21.5 All amounts credited to the account are included in the closing balance of the account and earn interest, whether or not these amounts have been cleared by us. If a deposit to the account is subsequently dishonoured, any interest earned on the dishonoured deposit will be reversed and the account may be closed under clause 17.2.

22. Maturity

- 22.1 Subject to clause 4.5, on the maturity of a term, in accordance with your maturity instructions, we will either:
- repay all of the TD by transferring funds to the nominated account;
 - repay some of the TD by transferring funds to the nominated account and reinvest the remainder of the TD for a new term;
 - reinvest the TD for a new term with additional funds provided by the investor; or
 - reinvest the TD for a new term without additional funds.
- 22.2 You must contact us on or before the maturity date to give us instructions about what to do with your funds on the maturity date. If you instruct us to reinvest the TD on the maturity date, it will be invested at an interest rate set in accordance with clause 5. The interest rate may be higher or lower than your current rate.
- 22.3 If you are a wholesale investor (and not referred to us by an intermediary) then on the maturity date of the TD, if for any reason ME does not have any instructions from you as to what should happen to your funds, we will reinvest the TD on the maturity date to an Iam Account at an interest rate set in accordance with clause 5 of the ME treasury products terms and conditions. The interest rate may be higher or lower than your current rate. These details will be confirmed in the confirmation letter we send the investor once the TD matures and is reinvested.
- 22.4 In the case of a retail investor or investor referred to us by an intermediary, where for any reason, ME does not have instructions from an investor or intermediary as to what should happen to the invested funds on the maturity date, we will pay the principal and interest to the nominated account.

23. Early withdrawal and 31 days notice

- 23.1 If you opened your account or reinvested funds on or after 3/10/2016, you can only withdraw all or part of the cleared funds from your TD to your nominated account by giving us 31 days prior notice. If you have a need in the future to immediately withdraw funds from your TD, other deposit products may be more suitable for you.
- 23.2 If you opened your account or reinvested funds prior to 3/10/2016, you can withdraw all or part of the cleared funds from your TD to your nominated account without giving us prior notice.
- 23.3 The investor or an authorised representative may withdraw all or part of the cleared funds from the TD by instructing the treasury services team in accordance with clause 8 and:
- for TDs opened prior to 3/10/2016, on or before the business day we are asked to process the withdrawal.
 - for TDs opened on or after 3/10/2016, 31 days prior to the business day we are asked to process the withdrawal. If notice of the withdrawal is received less than 31 days prior to the maturity date of the TD, we will transfer funds on the maturity date. If you are suffering hardship please contact us or provide details and we may allow withdrawal of funds on shorter notice.
- 23.4 If you request an early withdrawal of funds from the TD, the cleared funds will be transferred to the nominated account in accordance with your instructions after any applicable notice period.
- 23.5 Subject to clause 23.12 if you withdraw the TD prior to the maturity date, the money you withdraw early will incur an interest rate reduction based on the percentage of the original TD term that has elapsed as specified below:

Percentage of TD term elapsed	Interest rate reduction on amount withdrawn
0 to less than 20%	90%
20 to less than 40%	80%
40 to less than 60%	60%
60 to less than 80%	40%
80 to less than 100%	20%

- 23.6 The interest rate reduction will apply even if the TD has not been paid any interest up to the date of prepayment.

- 23.7 Please note that when calculating interest adjustments, ME takes into consideration any interest already paid to you during the term (if you have a TD with a term of 12 months or greater). Interest already paid will have been calculated at your original interest rate. As an adjustment is now being made to your original interest rate, interest already paid to you must also be adjusted down. Rather than asking you to repay some of the interest already paid to you by ME, we simply deduct the interest rate reduction amount from the amount being repaid to you on the date of withdrawal. Despite this, the sum of the amount paid to you on the withdrawal date, plus the sum of all previous interest payments will always be equal to or more than your original investment amount.
- 23.8 Any reduction of the interest earned on the account is a reasonable estimate of the cost of us meeting the early withdrawal of the TD.
- 23.9 Any remaining accrued interest will be transferred to the nominated account together with the amount of the deposit, in accordance with your instructions.
- 23.10 The money you leave in the TD will continue to earn the interest rate originally agreed.
- 23.11 If the amount remaining after a partial withdrawal would be less than the minimum investment permitted for a TD then the whole balance must be withdrawn.
- 23.12 No early withdrawal interest rate reduction will be applied if you contact us to withdraw funds, change the term and/or change the invested balance within seven days after reinvesting your TD under clause 22.
