Updating the information in the Asgard Infinity eWRAP Super/Pension Product Disclosure Statement

The information in this notice dated 1 October 2021 updates the information contained in the Asgard Infinity eWRAP Super/Pension Product Disclosure Statement (as updated or supplemented) (PDS) dated 15 March 2021 issued by BT Funds Management Limited ABN 63 002 916 458 AFSL No. 233724, the trustee and issuer of Asgard Infinity eWRAP Super/Pension, and should be read together with the PDS (as updated).

Changes to insurance options (super only)

From 1 October 2021, there will be some changes to the insurance cover available to you through your Asgard Infinity eWRAP Super account, with access to certain insurance cover only available through financial advisers. This will mean that if your relationship with your financial adviser ends, and you do not appoint a new financial adviser, certain insurance cover may no longer be available for you to access through your Asgard Infinity eWRAP Super account.

As a result of these changes, the following updates are made to the Asgard Infinity eWRAP Super PDS:

Under the heading 'Features of the eWRAP Super account' on page 4, the second bullet point is deleted and replaced with:

- **Insurance options:** Insurance may be available including Income Protection, Term Life or Life Protection and Total and Permanent Disablement (TPD) Protection to protect you and your family from the impact of any unforeseen events such as serious sickness or injury. Speak to your financial adviser for more information about the insurance options available to you. If you subsequently end your relationship with your adviser, the insurance options available to you may change. Refer to 'What happens if you do not appoint a replacement financial adviser' in this PDS for more information.

In the '6. General Information' section on page 26 of the PDS, the following paragraph is added to the end of the section titled 'What happens if you do not appoint a replacement financial adviser':

If you do not appoint a new financial adviser, some insurance options will no longer be available to you. This may include the insurers available to you and also the types of insurance cover you can access through your account. Note that any existing insurance policies you hold at the time you end the relationship with your adviser will not be impacted by these changes. Any existing cover you have will be retained, and you will also be able to renew, amend or cancel those policies.

Contact your financial adviser or call Customer Relations for more information on the potential impacts of ceasing the relationship with your financial adviser, and the impacts this may have on the types of insurance cover available to you through your Asgard Infinity eWRAP Super account.

2 What you need to know about super

Super is a means of saving for retirement and is, in part, compulsory. It may be one of the biggest investments you make in your life. Most Australians have the right to choose the fund into which their employer should pay their super contributions. The Australian Government has provided tax savings and other benefits, which generally make super one of the best long-term investment vehicles.

How super works

Contributing to super

There are several types of super contributions – for example, personal, spouse, and employer contributions, as well as Government contributions. Generally, if you are under 67, your super fund can accept all of these types of contributions. Once you turn 67, some restrictions apply.

Both before and after you turn 67, limits (known as ‘caps’) apply to the amount of most contributions that can be made to your super. If you exceed a cap, additional tax may be payable.

You cannot add to your Asgard Infinity eWRAP Pension account once your pension has commenced, although you can consolidate your benefits and start a new pension. Consolidation of your benefits may have social security implications. We encourage you talk to your financial adviser first before requesting to consolidate your benefits into a new pension account.

Withdrawals – accessing your super

There are restrictions on when you can withdraw your super. Generally, you cannot access your super until you have:

- turned 65,
- retired after reaching your preservation age (currently between 55 and 60, depending on your date of birth), or
- ceased employment after turning 60.

In limited circumstances, you can access your super before you retire if you meet a condition of release under superannuation law. For example, you may be able to access your super after reaching your preservation age through a non-commutable (transition to retirement) pension, even while still working.

The minimum balance that must remain in your account after a withdrawal or rollover is \$10,000. If you request a withdrawal or rollover that would result in your account balance falling below \$10,000, we may reject your request.

For more information on contributing to super and accessing your super, see the ‘How super works’ section in the AIB

How super is taxed

To encourage superannuation savings, the Government has provided some distinct tax advantages (savings):

- you can invest ‘before-tax’ income through salary sacrifice.
- the income on your investment is concessional tax, with a maximum tax rate of 15%, and
- your benefits are tax-free if received after you turn 60.

There are generally three main taxes that apply to super:

1. Tax on contributions

Some, but not all contributions are taxed in Asgard Infinity eWRAP Super account at 15%. If you’re classified as a high income earner, you may need to pay an additional 15% tax (known as Division 293 tax) on some or all of your contributions. If this applies to you, the Australian Tax Office will notify you after the end of the financial year.

2. Tax on income within the Fund

Investment income and capital gains are:

- taxed at a maximum rate of 15% in Asgard Infinity eWRAP Super account, but the actual rate may be lower.
- taxed at maximum rate of 15% in Asgard Infinity eWRAP Pension account if you have a pre-retirement pension, but the actual rate may be lower.
- currently tax free in the Asgard Infinity eWRAP Pension account if you do not have a preretirement pension.

For more information, see the ‘How super is taxed’ section in the AIB.

3. Tax on your super benefits

- If you are at least 60 years old, your lump sum benefits or income payments from Asgard Infinity eWRAP Super/Pension are tax free.

If you are aged under 60, see the following table.

Tax treatment on payments to you before your 60th birthday

	Pension payments	Lump sum withdrawals
Super	Not applicable	Tax-free component: Nil Taxable component: <ul style="list-style-type: none">– If you are under your preservation age, the tax rate is 20% (plus the Medicare Levy)– If you have reached your preservation age but are under 60, the benefit is tax-free up to the low rate cap amount¹, then the rate of 15% applies (plus the Medicare Levy).
Pension	Generally if you are under 60 but have reached your preservation age, tax is payable at your marginal tax rate, less a 15% tax offset.	

¹ For current information on the low rate cap, visit www.ato.gov.au

For more information on how super is taxed, see the 'How super is taxed' section in the AIB.

How tax amounts due are paid

Tax is deducted from an account when the fund is required to make Pay As You Go (PAYG) Tax Instalments or the annual tax return payment. There are also annual tax adjustments that apply to both super and pension accounts. Any tax owing is also deducted prior to the closure or transfer of an account.

Tax File Number (TFN)

You should provide your TFN when you invest in the Asgard Infinity eWRAP Super/Pension, however, providing your TFN is voluntary. Not providing your TFN will have tax consequences and will also affect the type of contributions you make into your Asgard Infinity eWRAP Super account.

3 How Infinity eWRAP Super/Pension works

Your financial adviser

Your financial adviser is integral to your Infinity eWRAP Super/Pension account. You need to have a financial adviser to open and operate your Infinity eWRAP Super/Pension account.

Your financial adviser has online access to your account via AdviserNET. Through AdviserNET, your financial adviser can make amendments to your account (e.g. update your personal or bank account details and set up new features), transact on your account (such as submitting buy and sell instructions) and generate various types of reports to help make informed decisions about your super.

Whether your financial adviser can transact or make amendments to your account on AdviserNET without notifying you first depends on the level of authority you grant your financial adviser.

Giving your financial adviser authority to send us instructions

You can decide what level of authority your financial adviser holds for operating your account. There are two levels of authority:

1. **Investor directed authority** – You must authorise each instruction (transaction or account amendment) in writing before your financial adviser submits it to us online.
2. **Authority to operate** – This allows your financial adviser to submit investment instructions to us online and amend your account details on your behalf, without prior authorisation from you. Unless we advise you otherwise, the authority to operate allows your financial adviser to submit all instructions on your behalf except the following instructions:
 - changing the name of your account,
 - funding a payment request,
 - transferring your account from Super to Pension,
 - setting up or increasing the adviser fee(s) to be charged to your account,
 - addition or removal of optional features to your account, and

- in relation to any other matters outlined in this PDS and the AIB that may require your personal instruction.

Change of authority or financial adviser

If you change your financial adviser or cancel your financial adviser's authority to operate, you must tell us immediately. If you change your financial adviser and don't inform us, we'll continue to act on the authority to operate you granted to your previous financial adviser.

Removal of financial adviser from your account

Asgard Infinity eWRAP Super/Pension is designed to be used by you together with your financial adviser. For that reason, you will need to have a financial adviser to open your account and to optimise the account features and fee structures. If your relationship with your financial adviser ends, you will need to take certain steps. These include notifying us immediately and letting us know whether you will be appointing a new financial adviser. If you do not appoint another financial adviser, you will need to manage your account directly. In addition, the fees applying to your account may increase and you will be unable to access a number of account features and functionalities.

For more information on the consequences of not having a financial adviser, see 'What will occur if you no longer have a financial adviser' in the 'General information' section in this PDS.

Investment options

Through Asgard Infinity eWRAP Super/Pension, you have access to managed investments, term deposits and listed securities. By diversifying your investments and investing for an appropriate timeframe, you may reduce the risks associated with your investments.

With the help of your financial adviser, you can quickly and easily change and mix your investments at any time as investment markets change.

Together with your financial adviser, you are in control of where your money is invested and you can create the financial strategy that is best suited to your financial needs and goals.

Managed investments

You can choose from an extensive range of managed investments, including investments from the different asset classes of cash, fixed interest, shares or equity, and property as well as multi-sector (diversified) funds managed by some of Australia's leading investment managers.

The 'List of Available Investment Options' specifies the managed investments available through Asgard Infinity eWRAP Super/Pension. You can obtain this list from your financial adviser or by calling Customer Relations.

Listed securities

You have access to securities listed on the ASX – generally those appearing in the ASX top 300 listed securities by market capitalisation, plus securities approved by us.

Please contact your financial adviser for information about the listed securities available through Asgard Infinity eWRAP Super/Pension.

Term deposits

Through Asgard Infinity eWRAP Super/Pension, we offer a range of term deposits with differing maturities/terms and interest payment options. You can learn more about the current terms and rates available from your financial adviser or by calling Customer Relations.

Term deposits are suitable for members who have an understanding of when they are likely to need to access funds in the future. They are not suitable for anyone who may suddenly need access to any funds in their term deposit as term deposits cannot be withdrawn before maturity.

For information on applicable term deposit terms, conditions and restrictions, refer to the relevant term deposit disclosure document, which you can obtain from your financial adviser or by calling Customer Relations.

Transferring investments

If you hold investments outside of Asgard Infinity eWRAP Super/Pension, you may be able to transfer these investments into your new Asgard Infinity eWRAP Super/Pension account or existing Asgard Infinity eWRAP Super account (provided those investments are approved by us) without needing to sell those investments first and then buy them back in your account.

Furthermore, with the help of your financial adviser, you can seamlessly transfer all or some of the investments in your Asgard Infinity eWRAP Super account to a new Asgard Infinity eWRAP Pension account.

For more information on investment options, see the 'Your investment options' section in the AIB.

Your Infinity eWRAP Super/Pension Account

Core features

Asgard Infinity eWRAP Super/Pensions starts off with a Core offer providing you with a cost effective way to meet your basic investment needs. The Core offer gives you access to a:

- **Transaction Account** which allows you to manage your account easily and efficiently
- **Core menu** which includes a range of diversified and low cost index managed investments across various asset classes.

Optional features

Add any or all of these features

Your Transaction Account

When you open an Asgard Infinity eWRAP Super/Pension account, a Transaction Account is automatically established for you and acts as the main transaction account inside your Asgard Infinity eWRAP Super/Pension account. The Transaction Account is used to settle your managed fund, term deposit and listed security transactions. Interest accrues daily on your balance held in the Transaction Account, and is credited to your account quarterly in arrears so your money is working for you even between investments. Interest on the Transaction Account is calculated at a variable rate determined by the Administrator. The Transaction Account is transactional in nature and is not intended to be used as an investment option.

You need to provide us with details of an account you hold with a financial institution. We refer to this bank account as your 'Nominated Bank Account'. Any direct credit payment via electronic funds transfer (EFT) you make from your Transaction Account will be paid into your Nominated Bank Account.

You can amend your Nominated Bank Account by completing the 'Nominated Bank Account addition or amendment' form (available from your financial adviser or Customer Relations) and returning it to us.

You can deposit funds into your Transaction Account by cheque, direct debit (either one-off or by establishing a regular deposit plan) and via BPAY.

If you have an Asgard Infinity eWRAP Pension account, your regular pension payment will be paid into a bank account selected by you. You also have the choice of nominating a monthly, quarterly or yearly payment frequency.

Please note that deposits into your Super account and benefit payments are subject to restrictions under superannuation laws.

Refer to the 'How super works' section in the AIB for further information.

Maintaining a minimum balance in your Transaction Account

You have to maintain a minimum balance in your Transaction Account to pay for transactions such as insurance premiums (if applicable), pension payments, and fees and other costs.

The minimum balance applying to the Transaction Account is set out in 'Maintaining a minimum balance in your Transaction Account' in the 'How your account works' section in the AIB. You can monitor your Transaction Account balance by regularly checking the details of your account on Investor Online.

When your Transaction Account balance is close to or less than the minimum, you may wish to deposit additional funds into your account. You can also instruct your financial adviser to sell specific managed investments or listed securities. The sale proceeds will be paid into your Transaction Account.

For more information on the consequences of not having a financial adviser linked to your account, see 'What will occur if you no longer have a financial adviser' in the 'General information' section in this PDS.

Consolidated reporting

Regardless of the number of investments you hold through your Asgard Infinity eWRAP Super/Pension account, we provide you with easy-to-read reporting that consolidates all the transactions from the different investment managers, term deposits and listed securities in your portfolio. This makes it easier to compare and analyse how various investments are performing and for your financial adviser to make informed decisions if changes need to be made.

Following the end of each financial year, you'll have access to a comprehensive Investor Report providing you with a clear snapshot of all your investments in one easy-to-understand document. This is also available on Investor *Online*.

You can access information on your account anytime and anywhere online, through Investor *Online*. For more information on Investor *Online* and other types of reporting we make available to you, refer to 'Keeping you informed' in the 'General information' section in this PDS.

For more information on how Asgard Infinity eWRAP Super/Pension works, see the 'How your account works' section in the AIB.

4 What are the risks

It's important to note that all investments involve varying degrees of risk. The likely investment return and the level of risk that you could lose money are different for each investment option depending on the underlying mix of assets. Generally, the higher the potential return of an investment over the longer term, the greater the level of risk of loss in the shorter term.

When considering investment in super, it is important to understand that:

- investments will fluctuate in value
- returns are not guaranteed and you may lose some of your money
- investment returns can be volatile and may vary - past performance is not a reliable indicator of future performance
- laws affecting your super may change, and
- the amount of your future super savings may not be enough to adequately provide for your retirement.

Risks associated with a particular investment option could include (among other things) risks specific to a certain security, market risk, currency risk, interest rate risk, derivatives and gearing risk, alternative investment risk, credit risk, liquidity risk and legal and regulatory risk. The Asgard Infinity eWRAP Super and Pension accounts and the investments you select are also subject to investment risk, including possible delays in repayment and the loss of principal, income and capital invested.

The appropriate level of risk for you will depend on your age and investment timeframe, where other parts of your wealth are invested and how comfortable you are with the possibility of losing some of your super in some years.

A crucial part of your relationship with your financial adviser is working out your own risk/return profile, that is, how much risk you are prepared to take in order to generate the returns you want.

For more information on risks of investing and super, see 'Investing involves risks' in the 'Your investment options' section in the AIB.

5 Fees and other costs

Did you know?

Small differences in both investment performance and fees and costs can have a substantial impact on your long term returns. For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30 year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You may be able to negotiate to pay lower contribution fees and management costs where applicable. Ask the fund or your financial adviser.

To find out more

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** website (www.moneysmart.gov.au) has a superannuation calculator to help you check out different fee options.

Fees and other costs

This document shows fees and other costs that you may be charged. These fees and other costs may be deducted from your money, from the returns on your investment or from the assets of the superannuation entity as a whole.

Other fees, such as activity fees, adviser fees for personal advice and insurance fees, may also be charged, but these will depend on the nature of the activity, advice or insurance chosen by you.

Taxes are set out in the 'What you need to know about super' section in this PDS and the 'How super is taxed' section in the AIB. Insurance fees and other costs relating to insurance are set out in the product disclosure statement of the relevant insurance provider.

You should read all the information about fees and other costs because it is important to understand their impact on your investment.

The fees and other costs for each managed investment offered by the superannuation entity are set out in the product disclosure statement for each managed investment. Contact your financial adviser for a copy of the relevant product disclosure statement. Existing members can also obtain a copy of the relevant PDS through Investor *Online*.

The fees and other costs shown in this section do not take into account any income tax benefit (if applicable), unless otherwise stated, include GST and any applicable stamp duty and are net of RITC.

Example of annual fees and costs (\$50,000)

This table gives an example of how the fees and costs for accessing the Advance Moderate Multi-Blend Fund through this superannuation product can affect your superannuation investment over a one year period. You should use this table to compare this superannuation product with other platform superannuation products.

Example – Advance Moderate Multi-Blend Fund		Balance of \$50,000 ¹
Investment fees	Nil	For every \$50,000 ¹ you have in the superannuation product, you will be charged \$0 each year.
PLUS Administration fees	0.30% ¹ (Core administration fee) + \$75.00 + 0.03% (Expense recovery) ²	And , you will be charged \$240.00 in administration fees.
PLUS Indirect costs for the superannuation product	0.86% (Transaction Account fee)	And , indirect costs of \$17.20 each year will be deducted from your investment.
EQUALS Cost of product		If your balance was \$50,000 ¹ then for that year you will be charged fees of \$257.20 ³ for the superannuation product.

1. In this example, it is assumed that \$50,000 is held in the Advance Moderate Multi-Blend Fund and an additional \$2,000 is held in your Transaction Account for the whole year (please refer to 'Your transaction Account' under the 'How your account works' section in the AIB for information about the minimum Transaction Account balance requirement). As your account balance increases, the total administration fee you pay as a percentage of your account balance will decrease due to the tiered administration fee structure (as shown in the administration fee scale in the fee table in this section).
2. The Expense recovery is an estimate only. The exact amount deducted from your account will be reported in your periodic Investor Report as an expense recovery.
3. This example does not take into account all the fees and costs that may apply to your account, for example: a) adviser fees and b) transaction costs (that is buy/sell spread and brokerage). Refer to the 'Additional explanation of fees and other costs' section in the AIB for information about the fees and other costs that may apply.
 - a) The adviser fee is negotiated between you and your financial adviser and paid to your financial adviser.
 - b) The actual transaction costs incurred are dependent on the managed investments, term deposits and listed securities you decide to invest in.

Note Additional fees may apply.

This example is illustrative only and fees and costs may vary for your actual investment. The example only shows the fees and costs that relate to accessing investments through the superannuation product and not the fees and costs of the underlying investments. Additional costs will be charged by the issuers of those products that you decide to invest in. Please refer to the example in the following section that illustrates the combined effect of the fees and costs.

Example of total costs (\$50,000)

This table illustrates the combined effect of fees and costs of the superannuation product and the fees and costs for an investment in the Advance Moderate Multi-Blend Fund through the superannuation product over a one year period, based on the same assumptions as the 'Example of annual fees and costs' in the previous section.

Example – Advance Moderate Multi-Blend Fund		Balance of \$50,000 ¹
Cost of product		If your balance was \$50,000 ¹ , then for that year you will be charged fees of \$257.20 for the superannuation product.
PLUS fees and costs for an investment in Advance Moderate Multi-Blend Fund ¹	0.64% (Management costs) ² 0.20% (Net transactional and operational costs) ³	And , fees and costs of \$420.00 each year will be deducted from your investment.
EQUALS total cost of investing in the Advance Moderate Multi-Blend Fund through eWRAP Super/Pension		\$677.20⁴

1. This example assumes \$50,000 is invested in the Advance Moderate Multi-Blend Fund and an additional \$2,000 is held in your Transaction Account for the whole year (please refer to the 'Maintaining a minimum balance in your Transaction Account' in the 'How your account works' section in the AIB to confirm the minimum amount required to be held in your Transaction Account).
2. This amount includes management fees charged by the Advance Moderate Multi-Blend Fund and estimated indirect costs, such as performance-related fees and other indirect costs, incurred in managing the underlying investments but not directly charged by the Advance Moderate Multi-Blend Fund. The indirect costs are an estimate in relation to the year ended 30 June 2020.
3. Please refer to 'Other transactional and operational costs' in the 'Additional explanation of fees and costs' section of the AIB for further information.
4. Additional fees may apply.

This example is illustrative only and fees and costs may vary for your actual investment. For information regarding the fees and costs of underlying investments, please refer to the disclosure document for each underlying investment, available at any time from your financial adviser or Customer Relations.

Additional explanation of fees and other costs

i Note: If your account balance in Asgard eWrap Super/Pension is less than \$6,000 at the end of the financial year or at the time of exit, the total combined amount of administration fees, investment fees and indirect costs charged in the financial year is capped at 3% of your account balance. Any amount charged in excess of this cap will be refunded.

Adding and removing optional features

When you add an optional feature to your account, any optional feature administration fee or adviser fee for that feature will apply.

When you remove an optional feature from your account, any adviser fees applicable for that feature will cease. However, the optional feature administration fee will continue until the feature is no longer actively used. For example, once the managed investments from an optional managed investment menu are sold from your portfolio.

Asgard may, without prior notice, add an optional feature to your account where it is required to facilitate a transaction. For example, where the proceeds of a corporate action are received after you have removed a share account feature. Where this occurs, the relevant optional feature administration fee will apply.

Fee aggregation

Where you hold more than one Asgard Infinity eWRAP Super/Pension account and Asgard eWRAP Super/Pension account, we will automatically link these accounts and apply proportionately each of the administration fee scales that are relevant to the aggregated value of managed investments¹ and listed securities held through these accounts. The administration fee that the linking of accounts generates is then compared to the sum of the administration fees payable on each of the individual accounts to determine whether any discount arises from the fee aggregation. The discount (if any) is apportioned across the linked accounts based on the value of managed investments¹ and listed securities held through each account. This is another way we help you lower the cost of managing your investments.

To be eligible for aggregation, the accounts must be registered under the same surname, date of birth, financial adviser and adviser code. There is no limit to the number of accounts that can be linked together for the purpose of fee aggregation.

Adviser remuneration/fees

Our fee structure provides you and your financial adviser with flexibility when determining the fee they receive for the financial advice and related services they provide to you in relation to your account. The following optional fees are

available for you to select the most appropriate remuneration arrangement with your financial adviser:

- Adviser fee – Contributions,
- Ongoing adviser fee, and
- One-off adviser fee.

You may negotiate with your adviser to pay one or more of the fees to your adviser or your adviser's licensee. You must specify these fees on the relevant form. The amounts you specify will be exclusive of GST. Where applicable, the actual amounts that will be deducted from your Transaction Account will include GST and may be adjusted for RITCs that may be claimed in respect of these fees.

The payment of fees that you agree to pay to your financial adviser in relation to financial product advice or related services that you receive will, subject to our duties as the Trustee, be facilitated by us in accordance with your directions. Generally, when you consent to us paying these agreed fees to your financial adviser, we will deduct those amounts in the same way (and on the same basis under the Trust Deed) used to deduct the fees you pay to us for administering your account.

Please note that all of the adviser fees are deducted by us and then paid to your financial adviser, or to your financial adviser's licensee on behalf of your financial adviser. However, we will not deduct any amounts in relation to adviser fees unless you agree, and we do not retain any portion of these adviser fees for our own benefit.

By consenting in the the relevant form you agree to the deduction and payment of agreed fees to your financial adviser (or to your financial adviser's licensee on behalf of your financial adviser). You direct us to make those payments to your financial adviser (or to your financial adviser's licensee on behalf of your financial adviser).

You authorise us to deduct the ongoing adviser fee from your Transaction Account on a monthly basis in arrears, and continue to pay these fees until you direct us to cease paying it or your consent to the deduction of the fee is withdrawn or expires.

You will be required to provide periodic consent (generally annually) for the deduction and payment of the fee to continue. If we do not receive the required consent, we will cease paying the fee to your adviser (or your adviser's licensee, as applicable).

Opting-out from advice

You may at any time opt out of receiving financial advice or related services from your financial adviser and paying your financial adviser ongoing fees by notifying us. We encourage you to talk to your financial adviser first before requesting to

¹ Reference to 'managed investments' includes term deposits with respect to Asgard eWRAP Super/Pension accounts but not Asgard Infinity eWRAP Super/Pension accounts.

change the fees applying to your account. We reserve the right to cease paying to your financial adviser any adviser fees on your behalf on receipt of a written request from either of you or your financial adviser.

If you opt out of the ongoing adviser fees paid to your financial adviser, we will generally cease paying the ongoing adviser fees from the beginning of the month in which your request is processed by us. For the Adviser fee – Contributions, we will generally cease paying this from the date on which your request is processed by us. However, if you have instructed us to cease paying adviser fees without terminating or opting out of an ongoing fee arrangement with your financial adviser, then you may still be personally liable to pay the adviser fees as agreed under that arrangement. For information on disclosure of your financial adviser's remuneration, refer to 'Disclosure of fees and costs received by your financial adviser' later in this section.

Opting out from advice is not the same as ending your relationship with your financial adviser. This needs to be separately requested (if required). If the relationship with your financial adviser has ended but you do not appoint a new financial adviser, this may have an effect on the fees you pay and your account features. For more information, see 'What will occur if you no longer have a financial adviser' in the 'General information' section in this PDS.

Adviser fee - Contributions

You and your financial adviser may agree the amount of adviser remuneration that will apply to financial advice and related services provided in relation to the initial and ongoing contributions into your account (whether made by you, your employer or another person on your behalf). It can be between nil and 5.5% (including GST). When you agree to the amount of the fee, you consent to us deducting and paying this amount from your account at the same time as we receive each contribution.

Any adviser fee – contribution agreed will apply to future deposits, excluding (a) regular deposit plans, (b) where relevant, transfers when opening a new superannuation or pension account, (c) any contributions/deposit to which an initial deposit or rollover fee has been applied, and (d) any other one-off deposits made in accordance with your instructions given on any other consent form specified for that purpose.

Ongoing adviser fee

An ongoing adviser fee can also be paid to your financial adviser in addition to the administration fee which is payable to us on a monthly basis in arrears. The ongoing adviser fee amount is calculated on the basis agreed between you and your financial adviser. When you agree on an amount, or basis of calculation, you consent to us deducting and paying this amount from your account each month.

You may select from the following monthly adviser fee options:

1. **Flat percentage amount** – select a flat percentage between 0% and 11% p.a. (including GST) to apply to the value of managed investments, listed securities and your Transaction Account balance (a different percentage can apply to each category), OR
2. **Sliding scale** – specify a sliding scale applicable to the value of managed investments and listed securities (payable monthly), OR
3. **Flat dollar amount** – select a flat dollar amount per month which can be adjusted, either up or down annually in line with the Consumer Price Index (CPI). You can indicate the month and year in which the increase will first occur in your application. The monthly dollar amount will be adjusted by the annual CPI percentage released for the previous quarter.

The flat percentage and sliding scale monthly adviser fee options are calculated based on your account balance (of managed investments, term deposits, listed securities and cash, as applicable) at the end of the previous month.

Ongoing adviser fees are paid monthly in arrears from your Transaction Account. Where your account is opened during the month, the ongoing adviser fee charged for the first month will be pro-rated based on the number of days your account was opened in that month.

One-off adviser fee

You can agree with your financial adviser to have a one-off flat dollar fee charged to your account. The one-off adviser fee can be paid to your financial adviser in addition to the administration fee which is payable to us. When you agree on an amount, you consent to us deducting and paying this amount from your account.

The one-off adviser fee can be charged on an ad-hoc basis but is limited to being charged once a month. It is deducted from your Transaction Account in arrears at the beginning of the next month or, if applicable, at the time your account is closed. In each case, the one-off fee will only be charged if your total account balance as at the end of the previous month was sufficient to cover the fee amount.

Disclosure of fees and costs received by your financial adviser

Your financial adviser must disclose to you any benefits they receive in relation to your investment, including all fees and costs that you have negotiated with them. See your financial adviser's Financial Services Guide and/or Statement of Advice for further information on these benefits.

If an ongoing fee arrangement exists between you and your financial adviser, your financial adviser will also be required to give you a Fee Disclosure Statement on an annual basis. It is also your and your financial adviser's responsibility to notify us to cease payment of adviser remuneration or fees in the event that the ongoing fee arrangement is either terminated or is not renewed.

Variation of fees and other costs

Our ability to charge fees and expenses, including both maximum amounts and the introduction of new fees, is not restricted under the Custody Service Deed (the trust deed for Asgard Infinity eWRAP Super/Pension, a copy of which can be obtained by calling Customer Relations). We may change or introduce fees and other costs payable to us at any time and will give you at least 30 days' prior written notice if we consider the change is materially adverse to your interests.

In the event of any change in tax laws or their interpretation, including changes which affect the rate of GST payable or the input tax credits, the amounts deducted from your Transaction Account in respect of the fees and costs applied to your Asgard Infinity eWRAP Super/Pension account may be varied or adjusted to reflect such changes without your consent or further notice to you.

We may, at our discretion, either generally or on request from you, your financial adviser or their licensee, reduce or waive any of the fees and costs applying to your account.

Any such reduction or waiver of fees and costs will cease to apply, and those fees and costs will generally revert to the un-reduced amount on 30 days' notice, or without notice if you cease to be advised by your financial adviser or their licensee.

Investment manager fees

Investment manager fees may be varied at any time by an investment manager, without notice to you. For further information regarding the fees and other costs for each managed investment, refer to the product disclosure statements or other disclosure document(s) for these managed investments.

Details of current fees and costs, including changes to underlying managed investment fees and costs, are available through Investor *Online* (see 'Electronic notifications, eStatements and online communications' in the 'General information' section in this PDS for more information about electronic notification).

Before making an investment decision, you should refer to the current investment manager fees applying to your account which are available at any time through Investor *Online* and by referring to any related updating information that is applicable to your account.

Related party investment arrangements and transactions

Some of the managed investments and term deposits available through Asgard Infinity eWRAP Super/Pension are issued or managed by companies within the Westpac Group. These Westpac Group companies receive fees in relation to your investment in the relevant managed investments and term deposits, which may include contribution fees, management fees, performance fees, withdrawal fees and other fees as specified in the product disclosure statement or other disclosure document for the relevant managed investments and term deposits. Companies within the Westpac Group may also hold on deposit and manage the monies in your cash balance on a daily basis and may perform other services in relation to assets. Related parties will receive fees for services they provide. All arrangements are on an arm's length basis.

Where a managed investment is issued or managed by a company in the Westpac Group, the same investment selection criteria applicable to managed investments issued or managed by unrelated parties applies. We also have policies that govern how we manage actual and perceived conflicts of interest that may arise and these policies apply to the managed investment selection process.

For more information on additional fees and costs such as performance fees, buy/sell spreads and share brokerage that may apply, see the 'Additional explanation of fees and other costs' section in the AIB.

6 General information

What will occur if you no longer have a financial adviser

You must have a financial adviser when you open your Asgard Infinity eWRAP Super/Pension account. However, if you wish to end the relationship, you must notify us immediately by taking the steps described below. Alternatively, if we become aware of an event that ends the relationship between you and your financial adviser, we will notify you. In these cases, you can appoint a new financial adviser to manage your account.

We encourage you to have a financial adviser to allow you to access all account features and to enable efficient processing of your investment instructions.

What do you need to do

If you wish to appoint a new financial adviser, you need to complete and return to us a 'Change of Adviser' form. If you wish to end the relationship with your current financial adviser, but will not be appointing a new financial adviser at the same time, you will need to complete a 'Request to remove a financial adviser from an account' form. You can obtain both forms by contacting Customer Relations. **It is important to complete the relevant form to assist you in managing your adviser fee arrangements and deciding who can access your account.**

What happens if you do not appoint a replacement financial adviser

If you do not appoint a new financial adviser, you will assume responsibility for managing your account directly.

Once we process your 'Request to remove a financial adviser from an account' form or, alternatively, after we have notified you that your relationship with your financial adviser has ended, the following changes will automatically occur within a period that is appropriate in the circumstances or is required by law.

Some features of your Infinity eWRAP Super or Infinity eWRAP Pension account will change. For example you will be:

- able to provide investment instructions relating to managed investments, term deposits and (if you have a share account) listed securities, but only where you complete and lodge a form with us. The form is available through our Customer Relations team,
- unable to provide us with your corporate action elections, and
- unable to access certain account functionalities, including:
 - automatically invest excess cash
 - automatically rebalance your account
 - regular buy
 - regular sell, and
 - reinvestment of income distributions.

Cooling-off period

If you change your mind about investing in Asgard Infinity eWRAP Super/Pension, you may redeem your investment from the Fund by having your money paid to another complying super fund or paid directly back to you (in the latter case, only if you satisfy a condition of release of preserved benefits). This right can be exercised within 14 days after confirmation of your investment or 14 days after the fifth business day after the money has been invested, whichever is earlier. This cooling-off period only applies to the first contribution made into your account.

You may exercise your cooling-off rights by notifying us in writing within the cooling-off period. You cannot exercise your cooling-off rights in respect of a deposit after you have exercised any other rights or powers you have in respect of that deposit.

The amount received will reflect any market movements (up or down) in the value of the investment in your account.

We may also deduct any taxes, reasonable transaction and administration costs. In the case of Asgard Infinity eWRAP Pension account we may also deduct any pension payments that have already been made, or any pro-rata pension payments legally required to be made. As a result, the amount redeemed may be less than your original investment. The sale of any investments required to action the refund may also result in the realisation of a taxable capital gain.

If your money is required to be paid to another super fund, or you wish to have the money paid to another super fund, you must nominate that fund to us. You must make such a nomination to us within one month of your refund request.

If you do not advise us of the complying super fund, retirement savings account or approved deposit fund you would like your contribution to be rolled over to, we may roll over your contribution to an eligible rollover fund. For more information on cooling off, please see the 'Other information' section in the AIB.

Things to consider when transferring your super

When you transfer your super, your entitlements under that fund may cease. You need to consider all relevant information before you make a decision to transfer your super. If you ask for information, your super provider must give it to you. Some of the points you may consider are:

- **Fees** – your FROM fund must give you information about any exit or withdrawal fees. If you are not aware of the fees that may apply, you should contact your fund for further information before completing this form. The fees could include administration fees as well as exit or withdrawal fees. Your TO fund may also charge entry or deposit fees on transfer.

Differences in fees funds charge can have a significant effect on what you will have to retire on. For example, a 1% increase in fees may significantly reduce your final benefit.

- **Death and disability benefits** – your FROM fund may insure you against death, illness or an accident which leaves you unable to return to work. If you choose to leave your current fund, you may lose any insurance entitlements you have. Other funds may not offer insurance or may require you to pass a medical examination before they cover you. When considering a new fund, you may wish to check the costs and amount of any cover offered.

- **Tax file number (TFN)** -- you are not obligated to provide your TFN to your super fund. However, if you do not provide your TFN, your fund may be taxed at the highest marginal tax rate plus the Medicare levy on contributions made to your account in the year, compared to the concessional tax rate of 15%. Your fund may deduct this additional tax from your account.

If your super fund does not have your TFN, you will not be able to make personal contributions to your super account. Choosing to quote your TFN will also make it easier to keep track of super in the future.

Under the Superannuation Industry (Supervision) Act 1993, your super fund is authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. The TFN may be disclosed to another super provider when your benefits are being transferred, unless you request in writing that your TFN is not disclosed to any other trustee.

Note: If you choose not to provide your TFN the transferring fund may ask you to prove your identity.

What happens to my future employer contributions?

Using this form to transfer your benefits will not change the fund to which your employer pays your contributions and may close the account you are transferring your benefits FROM. If you wish to change the fund into which your contributions are being paid, you will need to speak to your employer about choice.

Have you changed your name or signing on behalf of another person?

If you have changed your name or are signing on behalf of the applicant, you will need to provide a linking document. A linking document is a document that proves a relationship exists between two (or more) names.

The following table contains information about suitable linking documents.

Purpose	Suitable linking documents
Change of name	Certified original copy of the marriage certificate, deed poll or change of name certificate from the Births, Deaths and Marriages Registration Office.
Signed on behalf of the applicant	Certified original copy of the guardianship papers or Power of Attorney.

Tax file number declaration

Information you provide in this declaration will allow your payer to work out how much tax to withhold from payments made to you.

— This is not a TFN application form.
To apply for a TFN, go to ato.gov.au/tfn

! Terms we use

When we say:

- **payer**, we mean the business or individual making payments under the pay as you go (PAYG) withholding system
- **payee**, we mean the individual being paid.

Who should complete this form?

You should complete this form before you start to receive payments from a new payer – for example:

- payments for work and services as an employee, company director or office holder
- payments under return-to-work schemes, labour hire arrangements or other specified payments
- benefit and compensation payments
- superannuation benefits.

! You need to provide all information requested on this form. Providing the wrong information may lead to incorrect amounts of tax being withheld from payments made to you.

- ! You don't need to complete this form if you:
- are a beneficiary wanting to provide your tax file number (TFN) to the trustee of a closely held trust. For more information, visit ato.gov.au/trustsandtfnwithholding
 - are receiving superannuation benefits from a super fund and have been taken to have quoted your TFN to the trustee of the super fund
 - want to claim the seniors and pensioners tax offset by reducing the amount withheld from payments made to you. You should complete a withholding declaration form (NAT 3093)
 - want to claim a zone, overseas forces or invalid and invalid carer tax offset by reducing the amount withheld from payments made to you. You should complete a withholding declaration form (NAT 3093).

> For more information about your entitlement, visit ato.gov.au/taxoffsets

Section A: To be completed by the payee

Question 1

What is your tax file number (TFN)?

You should give your TFN to your employer only after you start work for them. Never give your TFN in a job application or over the internet.

- We and your payer are authorised by the *Taxation Administration Act 1953* to request your TFN. It's not an offence not to quote your TFN. However, quoting your TFN reduces the risk of administrative errors and having extra tax withheld. Your payer is required to withhold the top rate of tax from all payments made to you if you do not provide your TFN or claim an exemption from quoting your TFN.

How do you find your TFN?

You can find your TFN on any of the following:

- your income tax notice of assessment
- correspondence we send you
- a payment summary your payer issues to you.

If you have a tax agent, they may also be able to tell you.

If you still can't find your TFN, you can:

- phone us on **13 28 61** between 8.00am and 6.00pm, Monday to Friday.

If you phone or visit us, we need to know we are talking to the correct person before discussing your tax affairs. We will ask you for details only you, or your authorised representative, would know.

You don't have a TFN

If you don't have a TFN and want to provide a TFN to your payer, you will need to apply for one.

For more information about applying for a TFN, visit ato.gov.au/tfn

You may be able to claim an exemption from quoting your TFN.

Print X in the appropriate box if you:

- have lodged a TFN application form or made an enquiry to obtain your TFN. You now have 28 days to provide your TFN to your payer, who must withhold at the standard rate during this time. After 28 days, if you haven't given your TFN to your payer, they will withhold the top rate of tax from future payments
- are claiming an exemption from quoting a TFN because you are under 18 years of age and do not earn enough to pay tax, or you are an applicant or recipient of certain pensions, benefits or allowances from the:
 - Department of Human Services – however, you will need to quote your TFN if you receive a Newstart, Youth or sickness allowance, or an Austudy or parenting payment
 - Department of Veterans' Affairs – a service pension under the *Veterans' Entitlement Act 1986*
 - Military Rehabilitation and Compensation Commission.

Providing your TFN to your super fund

Your payer must give your TFN to the super fund they pay your contributions to. If your super fund doesn't have your TFN, you can provide it to them separately. This ensures:

- your super fund can accept all types of contributions to your accounts
- additional tax will not be imposed on contributions as a result of failing to provide your TFN
- you can trace different super accounts in your name.

- For more information about providing your TFN to your super fund, visit ato.gov.au/supereligibility

Question 2–6

Complete with your personal information.

Question 7

On what basis are you paid?

Check with your payer if you're not sure.

Question 8

Are you an Australian resident for tax purposes or a working holiday maker?

Generally, we consider you to be an Australian resident for tax purposes if you:

- have always lived in Australia or you have come to Australia and now live here permanently
- are an overseas student doing a course that takes more than six months to complete
- migrate to Australia and intend to reside here permanently.

If you go overseas temporarily and don't set up a permanent home in another country, you may continue to be treated as an Australian resident for tax purposes.

If you are in Australia on a working holiday visa (subclass 417) or a work and holiday visa (subclass 462) you must place an X in the working holiday maker box. Special rates of tax apply for working holiday makers.

- For more information about working holiday makers, visit ato.gov.au/whm

If you're not an Australian resident for tax purposes or a working holiday maker, place an X in the foreign resident box, unless you are in receipt of an Australian Government pension or allowance.

Temporary residents can claim super when leaving Australia, if all requirements are met. For more information, visit ato.gov.au/departaustralia

— Foreign resident tax rates are different

A higher rate of tax applies to a foreign resident's taxable income and foreign residents are not entitled to a tax-free threshold nor can they claim tax offsets to reduce withholding, unless you are in receipt of an Australian Government pension or allowance.

- To check your Australian residency status for tax purposes or for more information, visit ato.gov.au/residency

Do you want to claim the tax-free threshold from this payer?

The tax-free threshold is the amount of income you can earn each financial year that is not taxed. By claiming the threshold, you reduce the amount of tax that is withheld from your pay during the year.

Answer **yes** if you want to claim the tax-free threshold, you are an Australian resident for tax purposes, and one of the following applies:

- you are not currently claiming the tax-free threshold from another payer
- you are currently claiming the tax-free threshold from another payer and your total income from all sources will be less than the tax-free threshold.

Answer **yes** if you are a foreign resident in receipt of an Australian Government pension or allowance.

Answer **no** if none of the above applies or you are a working holiday maker.

- ! If you receive any taxable government payments or allowances, such as Newstart, Youth Allowance or Austudy payment, you are likely to be already claiming the tax-free threshold from that payment.
- > For more information about the current tax-free threshold, which payer you should claim it from, or how to vary your withholding rate, visit ato.gov.au/taxfreethreshold

Question 10

Do you have a Higher Education Loan Program (HELP), VET Student Loan (VSL), Financial Supplement (FS), Student Start-up Loan (SSL) or Trade Support Loan (TSL) debt?

Answer **yes** if you have a HELP, VSL, FS, SSL or TSL debt.

Answer **no** if you do not have a HELP, VSL, FS, SSL or TSL debt, or you have repaid your debt in full.

- ! You have a HELP debt if either:
 - the Australian Government lent you money under HECS-HELP, FEE-HELP, OS-HELP, VET FEE-HELP, VET Student loans prior to 1 July 2019 or SA-HELP.
 - you have a debt from the previous Higher Education Contribution Scheme (HECS).

You have a SSL debt if you have an ABSTUDY SSL debt.

You have a separate VSL debt that is not part of your HELP debt if you incurred it from 1 July 2019.

- > For information about repaying your HELP, VSL, FS, SSL or TSL debt, visit ato.gov.au/getloaninfo

TSL debt?

When you have repaid your HELP, VSL, FS, SSL or TSL debt, you need to complete a *Withholding declaration* (NAT 3093) notifying your payer of the change in your circumstances.

! Sign and date the declaration

Make sure you have answered all the questions in section A, then sign and date the declaration. Give your completed declaration to your payer to complete section B.

Section B: To be completed by the payer

- ! Important information for payers – see the reverse side of the form.

> Lodge online

Payers can lodge TFN declaration reports online if you have software that complies with our specifications.

For more information about lodging the TFN declaration report online, visit ato.gov.au/lodgetfndeclaration

Information on completing this form

Make a new binding death benefit nomination

- Unless you revoke a binding death benefit nomination, it will remain valid for a period of three years from the date you first signed, last confirmed or amended it. If a binding death benefit nomination ceases to be valid it will not be binding on the Trustee and the Trustee will have the discretion to determine to whom your death benefit is paid, although the nomination will be taken into consideration.
- You can change or revoke your nomination at any time. Making a new binding death nomination will replace existing binding death benefit nomination. Your current nomination will be revoked upon acceptance of the new binding death nomination.
- You can only nominate an 'eligible dependant(s)' and/or your estate. An eligible dependant includes:
 1. **Your spouse** (including a person who, although not legally married to you, lives with you on a genuine domestic basis as a couple or in a relationship that is registered under certain state or territory laws, as the case may be),
 2. **Your child** (including an adopted child, a step child or ex-nuptial child including adult children whether or not financial dependant on you),
 3. Anyone with whom you have an **interdependency relationship** at the time of your death (refer to the 'What happens when you die' or the 'Estate planning' section in the relevant PDS or AIB for more information),
 4. Any other person **financially dependent** on you at the time of your death.
- An assessment of whether a person is an eligible dependant at the time your death is based on evidence subsequently supplied to the Trustee.
- You should ensure that your death benefit nomination is kept up to date as your circumstances change. These circumstances may include divorce, marriage, the birth of a child, the death of a nominated beneficiary and other changes in your personal circumstances. If in doubt, contact your financial adviser.

Confirm an existing binding death benefit nomination

- A binding death benefit nomination can only be confirmed before it expires. If it has expired, you will need to make a new binding death benefit nomination.
- Once a valid confirmation is received from you, your nomination will be valid for three years from the date the form is signed. You do not need a witness to confirm.

Revoke a current binding death benefit nomination

- If you are revoking your current binding death benefit nomination, you must sign and date the investor declaration section in the presence of two witnesses. Each witness must have turned 18 years of age and neither of them can be a beneficiary under the nomination being revoked. Each witness must also sign and date the witnesses' declaration section. You will then no longer have a valid nomination and the revoked nomination will not be taken into consideration by the Trustee when making any death benefit determination.
- To replace existing binding death benefit nomination, simply make a new binding death nomination. Your current nomination will be revoked upon acceptance of the new binding death nomination.

Checklist

- Ensure the total nomination allocated to your beneficiaries and/or estate equals 100% (otherwise the request will be invalid).
- Ensure that you have signed and dated this form.
- If you are making or revoking a binding death benefit nomination, ensure that the form has been signed by two witnesses.
- Ensure that the beneficiaries have not signed as witnesses.
- Ensure that your witnesses have signed and dated this form at the same time you signed the form.

Information on completing this form

- An automatic reversionary nomination can only be selected for an allocated pension account.
- This nomination is binding on the Trustee. In the event of your death, the Trustee will pay your death benefit as a pension to the person you have nominated, provided that they are an eligible dependant. An assessment of whether a person is an eligible dependant at the time of your death is based on evidence subsequently supplied to the Trustee. Please refer to the relevant Product Disclosure Statement (PDS)/Additional Information Booklet for further information.
- You can change your nomination type at any time.
- You can only nominate an 'eligible dependant'. An eligible dependant includes:
 - **your spouse** (including a person who, although not legally married to you, lives with you on a genuine domestic basis as a couple or in a relationship that is registered under a prescribed State/Territory government relationship register (as the case may be));
 - **your child** (including an adopted child, a step child, or an ex-nuptial child) under 18 years of age, or between 18 and 25 years of age and is financially dependent on you, or a child over 18 with a prescribed disability;
 - anyone with whom you have an **interdependency relationship** at the time of your death – refer to the PDS for more information;
 - any other person **financially dependent** on you at the time of your death.

Replacing an existing nomination

- To replace an existing automatic reversionary or discretionary nomination, simply **make a new automatic reversionary nomination**. Your current nomination will be revoked upon acceptance of the new automatic reversionary nomination.
- If you have an existing binding death benefit nomination in place, you will need to revoke this nomination before you can make an automatic reversionary nomination.
