

# Cash Account Flyer

Effective date 3 March 2025

This Cash Account Flyer ('Flyer') is Part 2 of the Cash Account eCASH and CASH Connect Product Disclosure Statement (PDS). The PDS covers:

- the eCASH Account and the CASH Connect Account (each a 'Cash Account'), and
- the Payment Services used in conjunction with the Cash Account.

The eCASH Account, CASH Connect Account and Payment Services offered under the Product Disclosure Statement ('PDS') are financial products issued by St.George Bank – A Division of Westpac Banking Corporation ABN 33 007 457 141 AFSL 233714 ('the Bank' or 'St.George').

This Flyer was prepared on 3 March 2025. However, it's intended for use for services provided from the effective date shown above.

There are two parts to the PDS for the Cash Account and the Payment Services. This Flyer sets out the fees, charges and interest rates, current at the date of this Flyer for the Cash Account. The other document that makes up Part 1 of the PDS for the Cash Account and Payment Services is the current version of the Cash Account eCASH and CASH Connect PDS.

You must receive both parts of the PDS at the same time when:

- you open your Cash Account or first obtain a Payment Service, or
- you request a copy of the PDS for the Cash Account and Payment Services.

The PDS is an important document. Please read the PDS carefully as it will help you to:

- decide whether an eCASH Account or CASH Connect Account and the Payment Services will meet your needs, and
- compare the eCASH Account, CASH Connect Account and the Payment Services with other accounts and services you may be considering.

In this PDS, references to 'Asgard', 'we', 'us' and 'our' are references to Asgard Capital Management Limited. Asgard is the administrator of the Cash Account.

For any existing customers that currently hold a Visa Debit Card through their CASH Connect Account, the fees in the following pages will continue to apply, where applicable.

# Fees and charges

You should read all the information about fees and charges, as it's important to understand their impact on your Cash Account.

St.George may change its fees and charges at any time, but will give you notice as outlined in clause 3 of the Terms and Conditions in the Cash Account eCASH and CASH Connect PDS.

Fees applicable to the eCASH and CASH Connect Accounts are shown in the table below. Additionally, transfers to or from a Cash Account may incur fees on another account.

Enforcement expenses may become payable if you breach the Terms and Conditions for the Cash Account outlined in the Cash Account eCASH and CASH Connect PDS.

The Bank will debit your Cash Account with any reasonable expenses it reasonably incurs in enforcing the Terms and Conditions.

These fees and charges will be debited from your Cash Account.

## Fees and charges which may apply to your Cash Account

\* Nil when deposited directly into a St.George Bank account.

^ In order to facilitate your payment, overseas banks may convert the payment or impose additional fees or charges. For further information on these charges, please contact us on 1300 726 228 option 4 during Monday to Friday between 8:00am to 6:00pm AEST. Any overseas financial institution handling charges will by default be borne by the recipient of the International Payment and deducted from the payment amount, unless otherwise organised. We may receive commissions or other benefits from other financial institutions. It is possible that the overseas bank could convert the currency of the payment at an unfavourable exchange rate. You should inform the beneficiary that, if this occurs, they should consider rejecting the payment immediately so the payment can be unwound at the prevailing exchange rate.

If you do not want the currency to be converted, please insert the words "Do Not Convert" in the description details free text box when you are making an international payment and we will on-forward this instruction.

## Interest rates

The standard interest rates as at 3 March 2025:

- eCASH Account 3.35% per annum
- CASH Connect Account 3.35% per annum

The Bank may change the standard interest rate applying to your Cash Account at anytime. You will be given notice as outlined in clause 3 of the Terms and Conditions in the Cash Account eCASH and CASH Connect PDS.

Your Cash Account earns interest calculated on the balance as at the close of each day. Interest is calculated daily by dividing the current annual percentage rate of interest applying to your Cash Account by 365 and multiplying each day's closing balance by that daily percentage.

If your Cash Account becomes overdrawn, interest on the amount overdrawn will be payable at a rate specified by the Bank from time to time. The current interest rate can be obtained on request from our Customer Relations team. The Bank will calculate the interest charges on the daily overdrawn balance at the current rate applying that day. The Bank may also charge a fee for overdrawing your Cash Account. Please refer to the Fee Section in this flyer for details.

Interest is credited (or debited) to your Cash Account monthly on the last business day of the month. Refer to 'Closing your Cash Account' outlined in the Cash Account eCASH and CASH Connect PDS for information on your final interest payment.

If you have an eCASH Account and you make a cheque deposit through us, the cheque will be deposited into a clearing account, and once cleared, the proceeds will become available in your eCASH Account. We retain any interest earned on the funds whilst they are in our clearing account.

If you make a Direct Debit deposit, the funds will be deposited into a clearing account, and once cleared, the proceeds will become available in your Cash Account. We retain any interest earned on the funds whilst they are in our clearing account.
